Yes or No	
What mesh generator will you be using?	

Are you willing to share your mesh with the Workshop?

Yes or No	
-----------	--

Abstract/Paragraph of Participation (100-200 words)

--

Registration Fee Information

The cost of the workshop will be \$307, \$407, and \$507 for early, regular, and late/on-site registration, respectively. Timing for the early, regular, and late registration will be on the same schedule as JPC registration. We are also offering scholarships for qualified academics (professors and students) and retirees on a first come, first served basis. Professor registration will be \$160 (they must bring a student to qualify), students registration will be \$40 (limit 2 per school, unless there are excess funds), and retiree registration will be \$40. The workshop fee will be paid at the time of conference registration. Academia scholarship applicants need to email aiaapaw@yahoo.com to find out the detail and the final selection before sending the registration fee for the workshop.

Scholarship for Professor, Students and Retirees

Needs Scholarship?	Yes or No

--

By signing below, I hereby agree to keep within the team all technical information provided by the Workshop Committee. I will not share it with any other party without formal agreement from the Workshop Committee Chair. I will also not disclose data developed for this workshop except for uploading to the workshop webpage and other requests by the workshop committee members. There is a "no paper, no podium" rule, if you don't present your findings your paper won't be published and you will not be eligible for a scholarship.
